Upstairs Venue

We have created a spacious and welcoming extension of our existing restaurant.

Below are the details for private events.

Venue Hire Fees for a private function or event:

Monday to Thursday: R 15 000.00

Friday to Sunday: R 20 000.00

How this works:

The venue hire amount is the difference between the total bill for food and drinks, and the actual venue hire.

For example:

If the event is on a Thursday, and the bill for food and drinks totals R14 000.00, then the venue hire will be R1000.00. (R15 000.00 – R14 000.00 = R1 000.00)

Please note this does not include the service charge for wait and bar staff, which is added at a discretionary 12.5% of your bill (not the venue hire amount)

What we offer:

Food: We can create an delicious three course meal for your guests, or should you wish for a more informal set up why not opt for a range of platters and canapes– let us assist in creating a bespoke menu to suit your needs

Drinks: Why not offer your guest a refreshing welcome cocktail served to them by the wait staff upon arrival. We have a variety of jugs available to choose from, both alcoholic and non-alcoholic.

Our upstairs bar has a unique selection of wines, beers, ciders, cocktails and spirits available, as well as the good old favourites.

Sound: We have a plug and play sound system, which is easy to use for any DJ, band or background music. We are also able to assist with other AV requirements you might need.

Décor: You have carte blanche to create your special event any way you want!
